## Interior Design

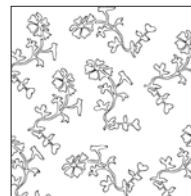

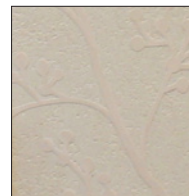

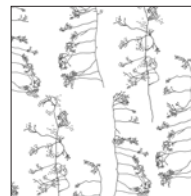

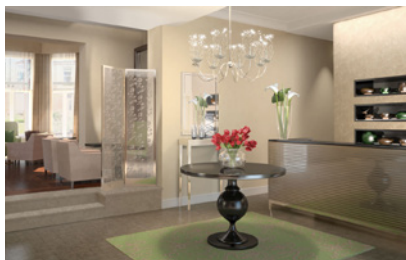

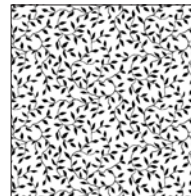

As a team member of J2 Design, Uk Architecture and interior design company based in London, my role as an interior designer for each one of the following projects was to contribute towards areas, such as, layouts, FF&E and graphics.

## Franklin Hotel\_London

The Franklin Hotel is a Classic Contemporary English Hotel in the heart of South Kensington, London.

All the fabrics, finishes and furniture are an eclectic combination of traditional english elements and modern pieces.

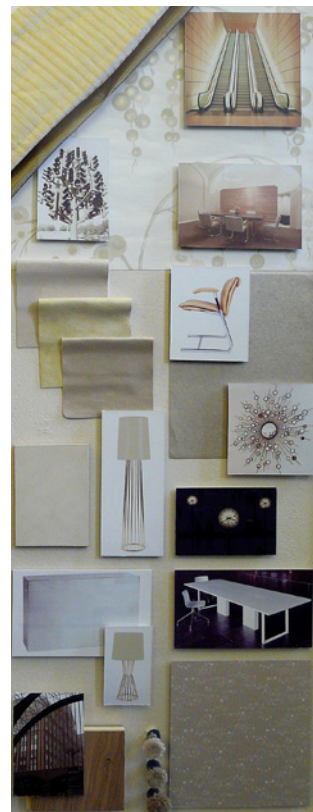

The hotel is Luxurious and Comfortable with an English style and feel.

## Hilton Canary Wharf\_London

The Hilton Canary Wharf Extension reflects the nature of Canary Wharf, All the finishes, linear elements, angled mirrors have been introduced to lead back to the hotel environment.

Sophisticated, Contemporary and Individual is a business clients oriented hotel.

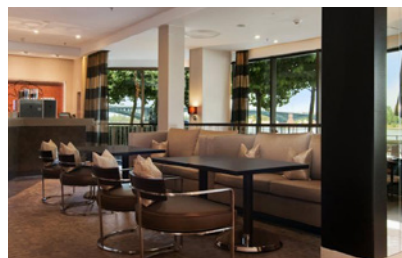

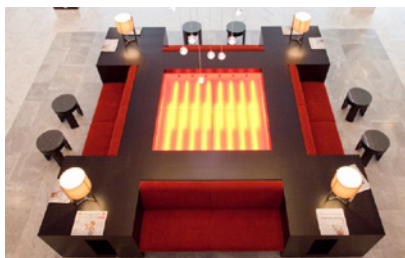

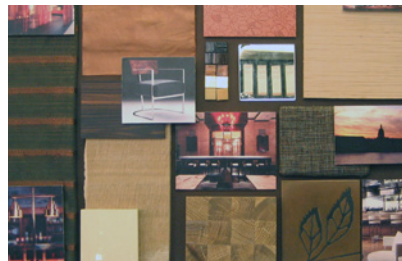

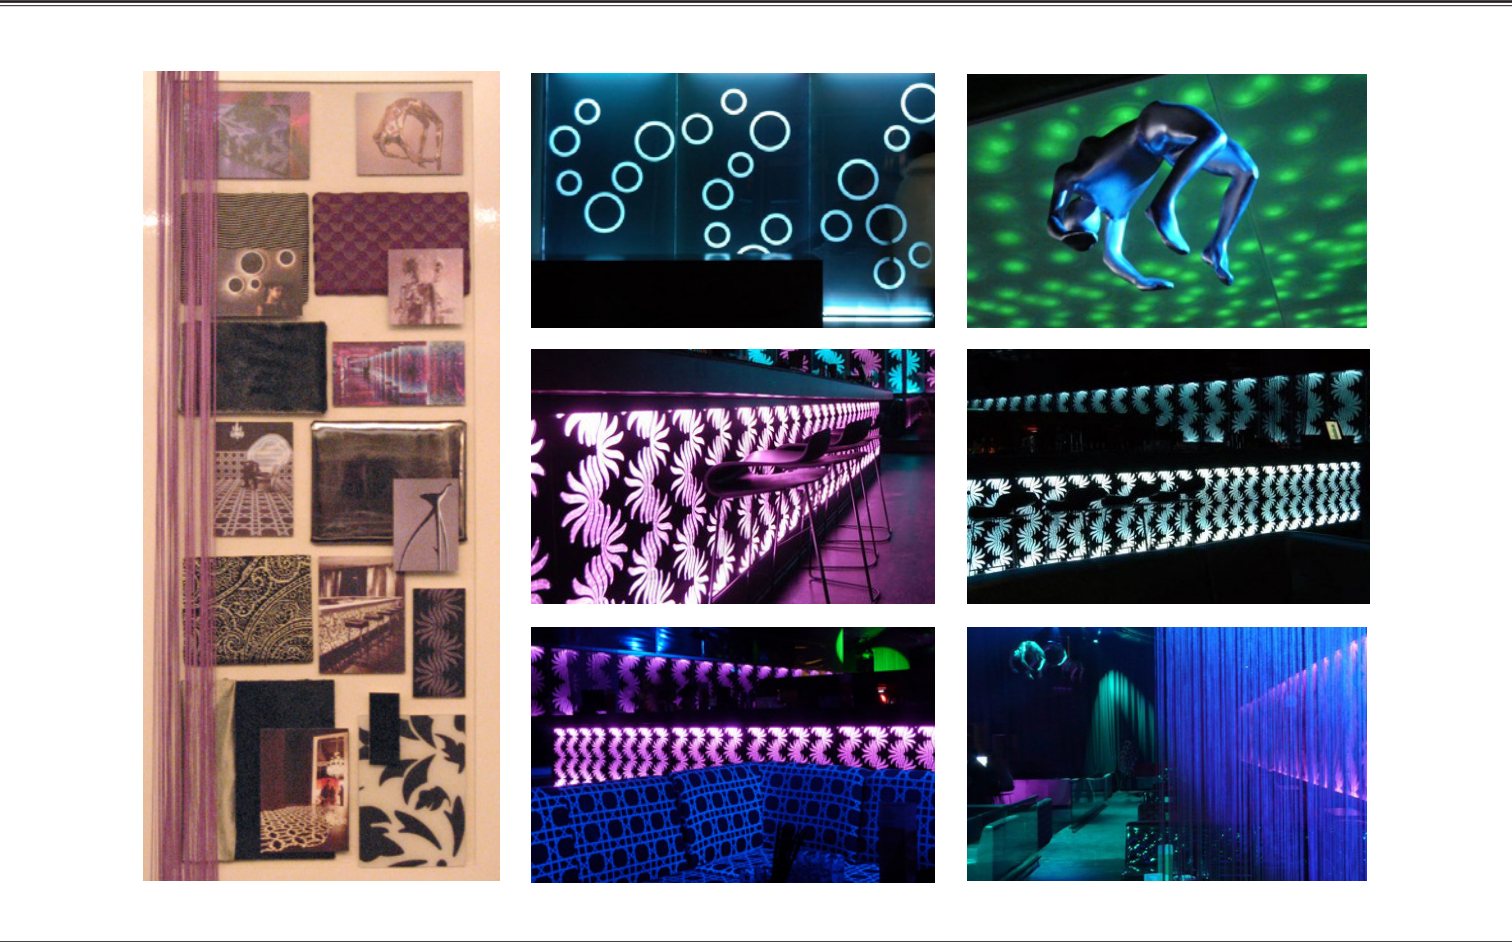

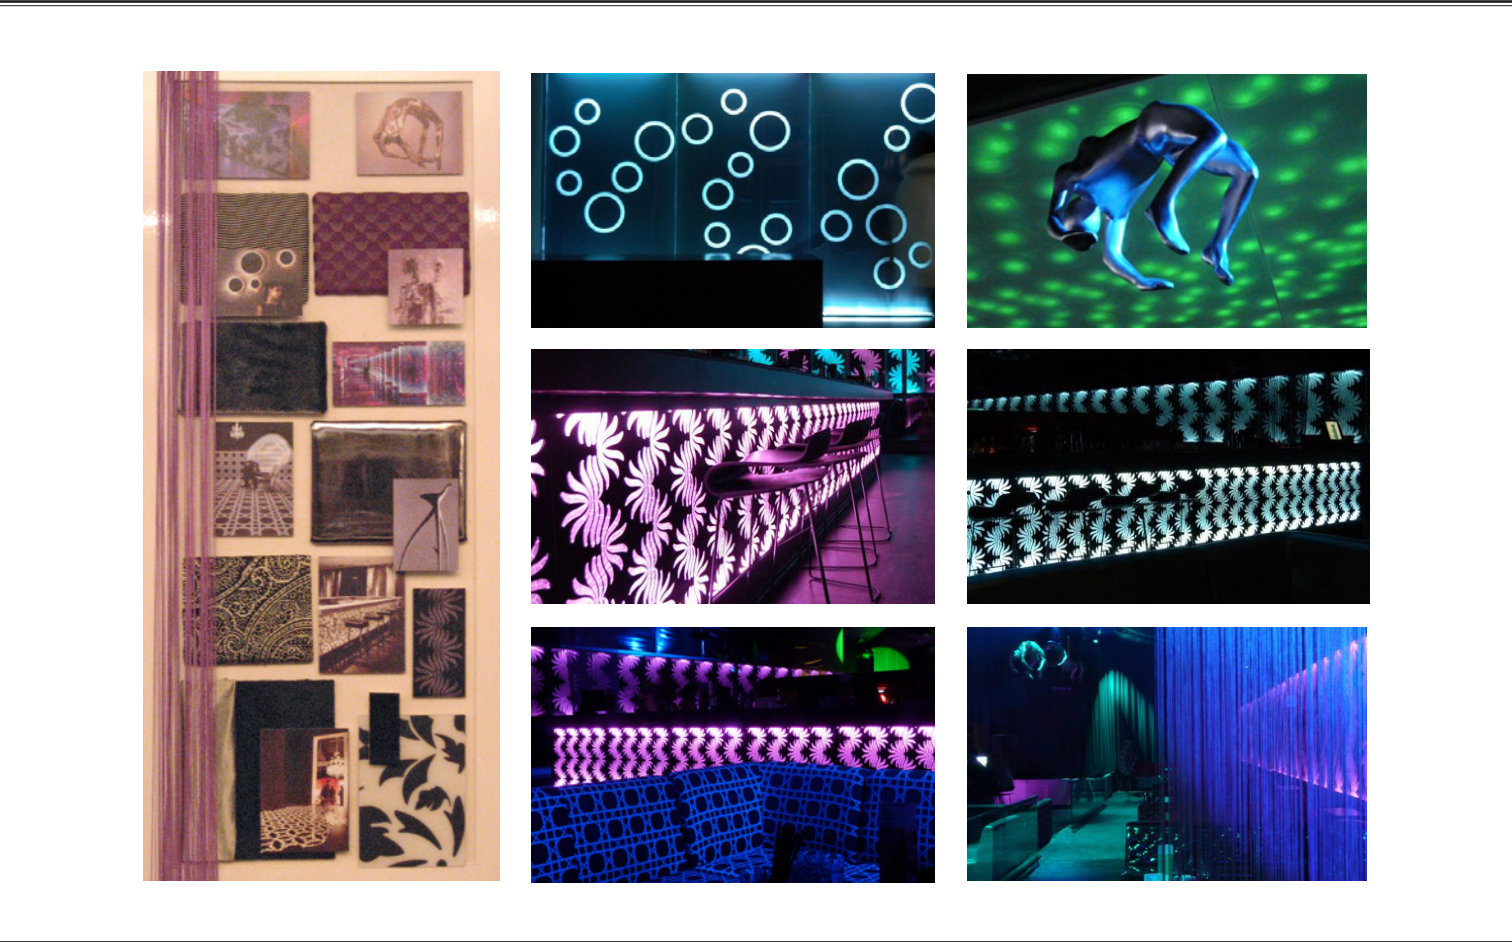

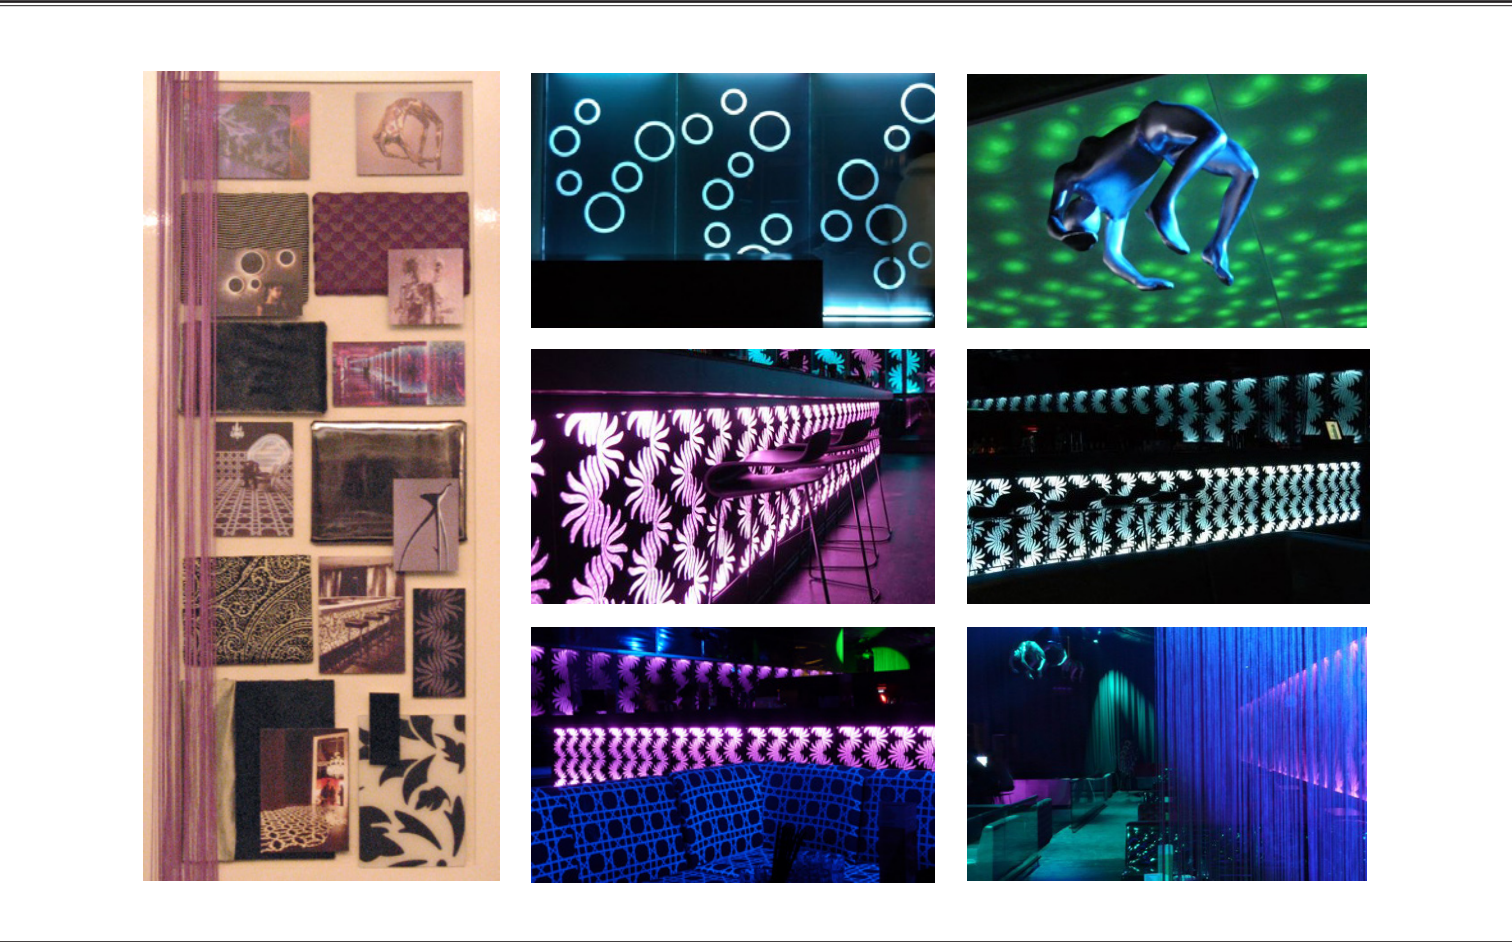

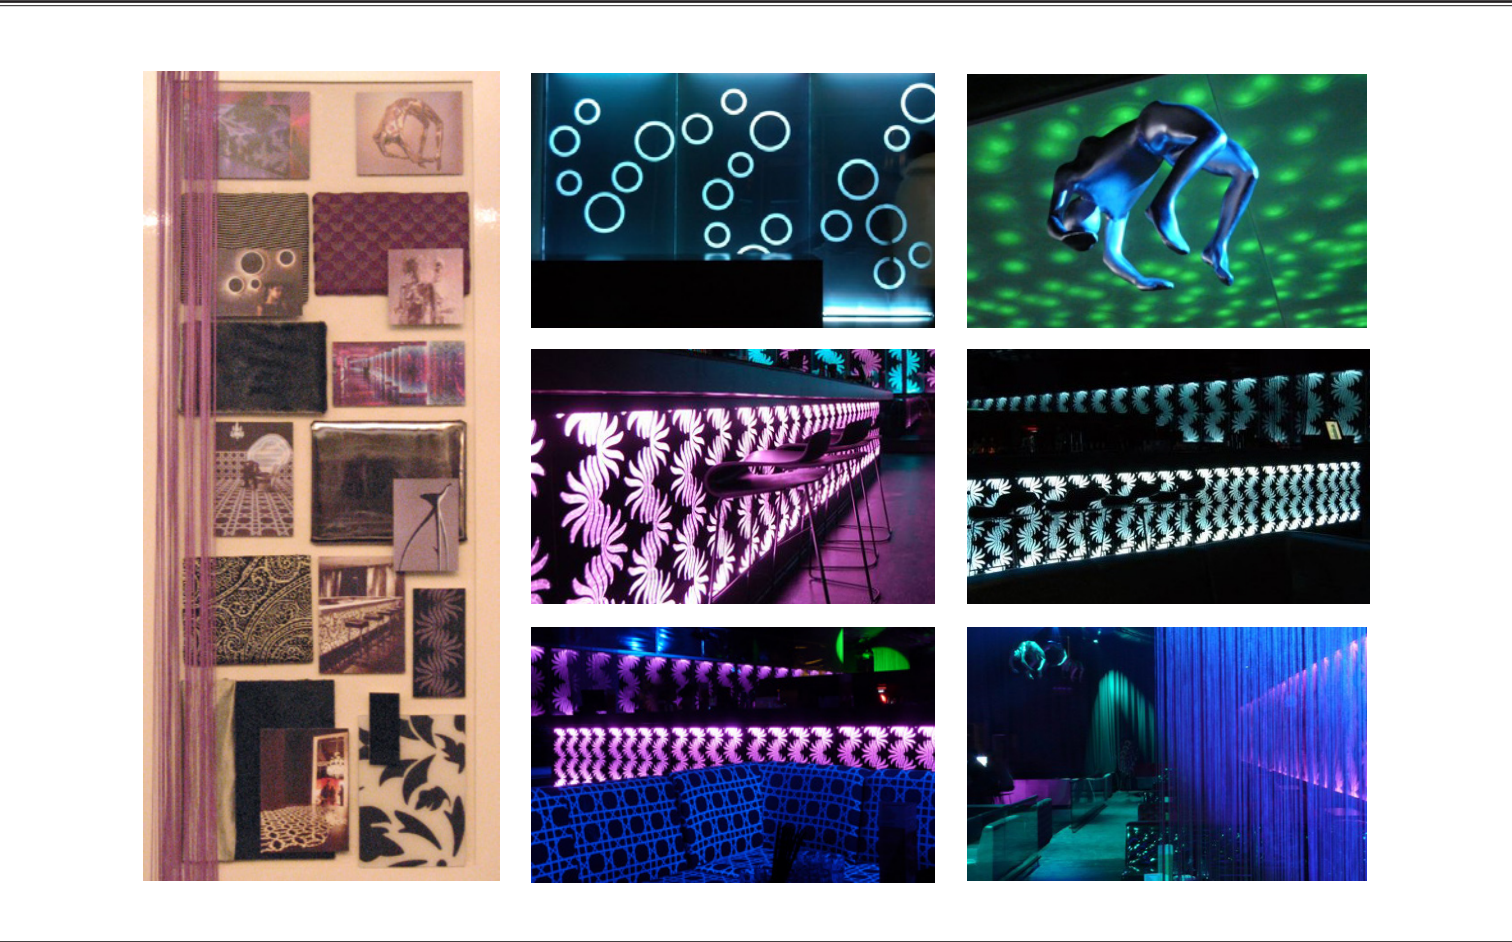

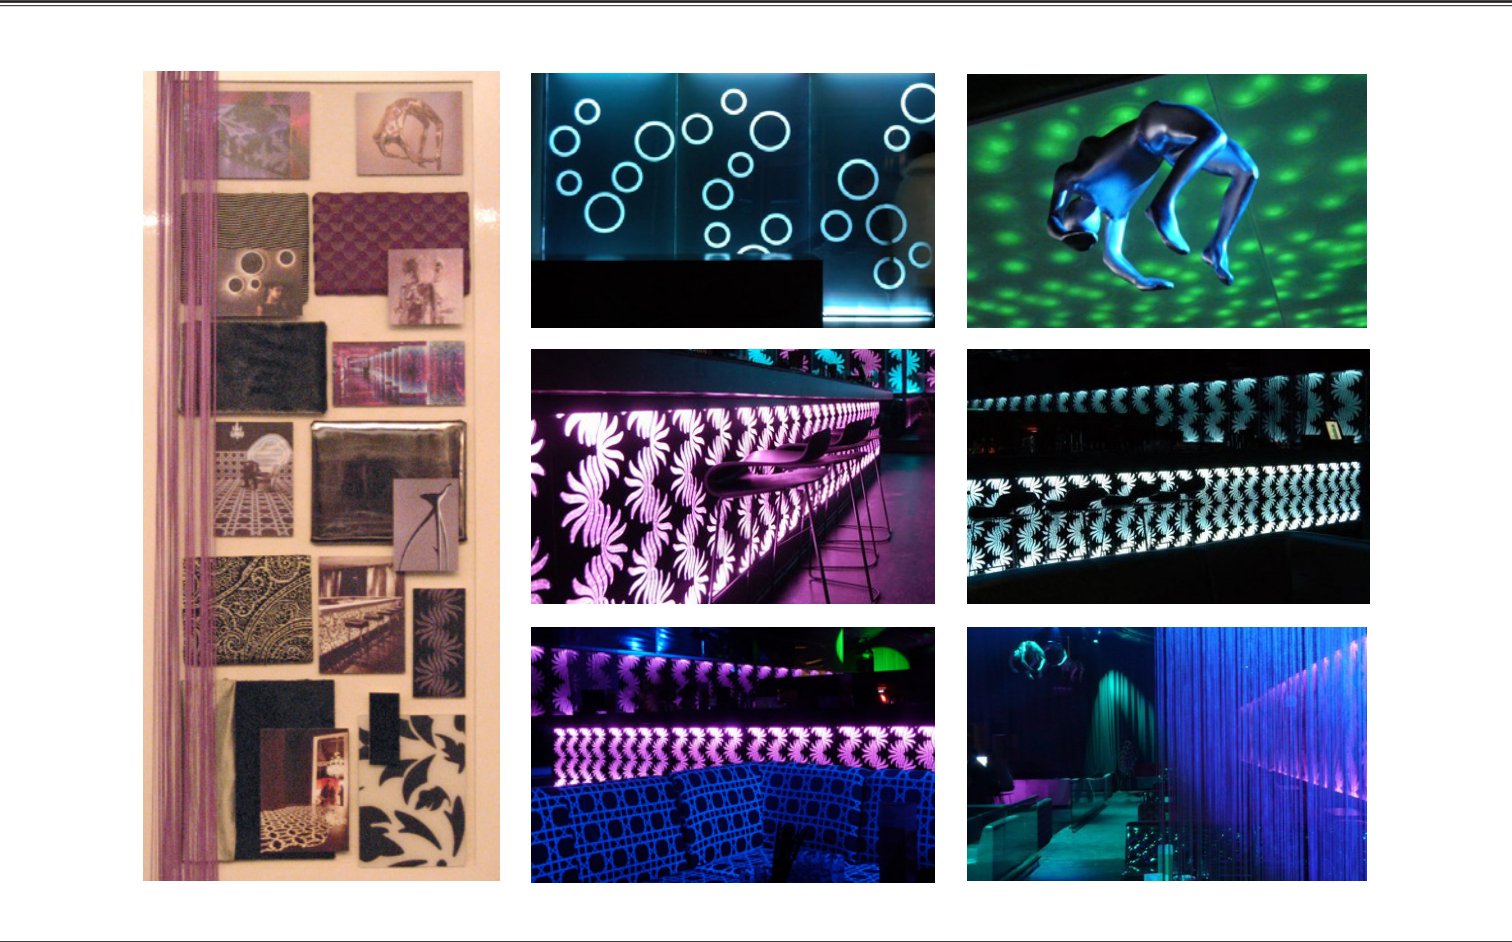

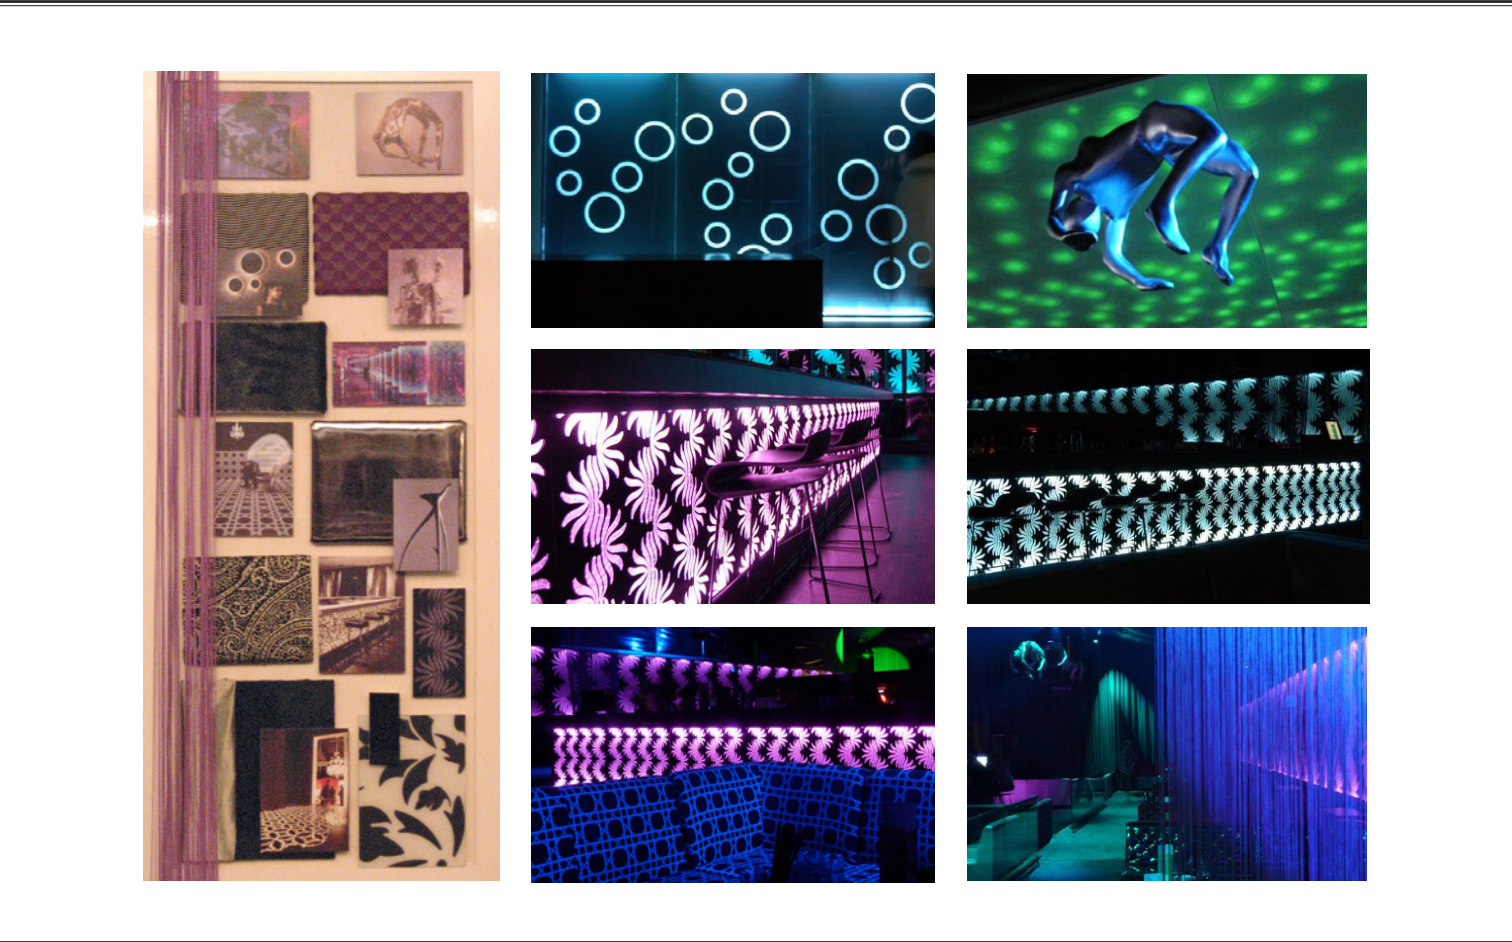

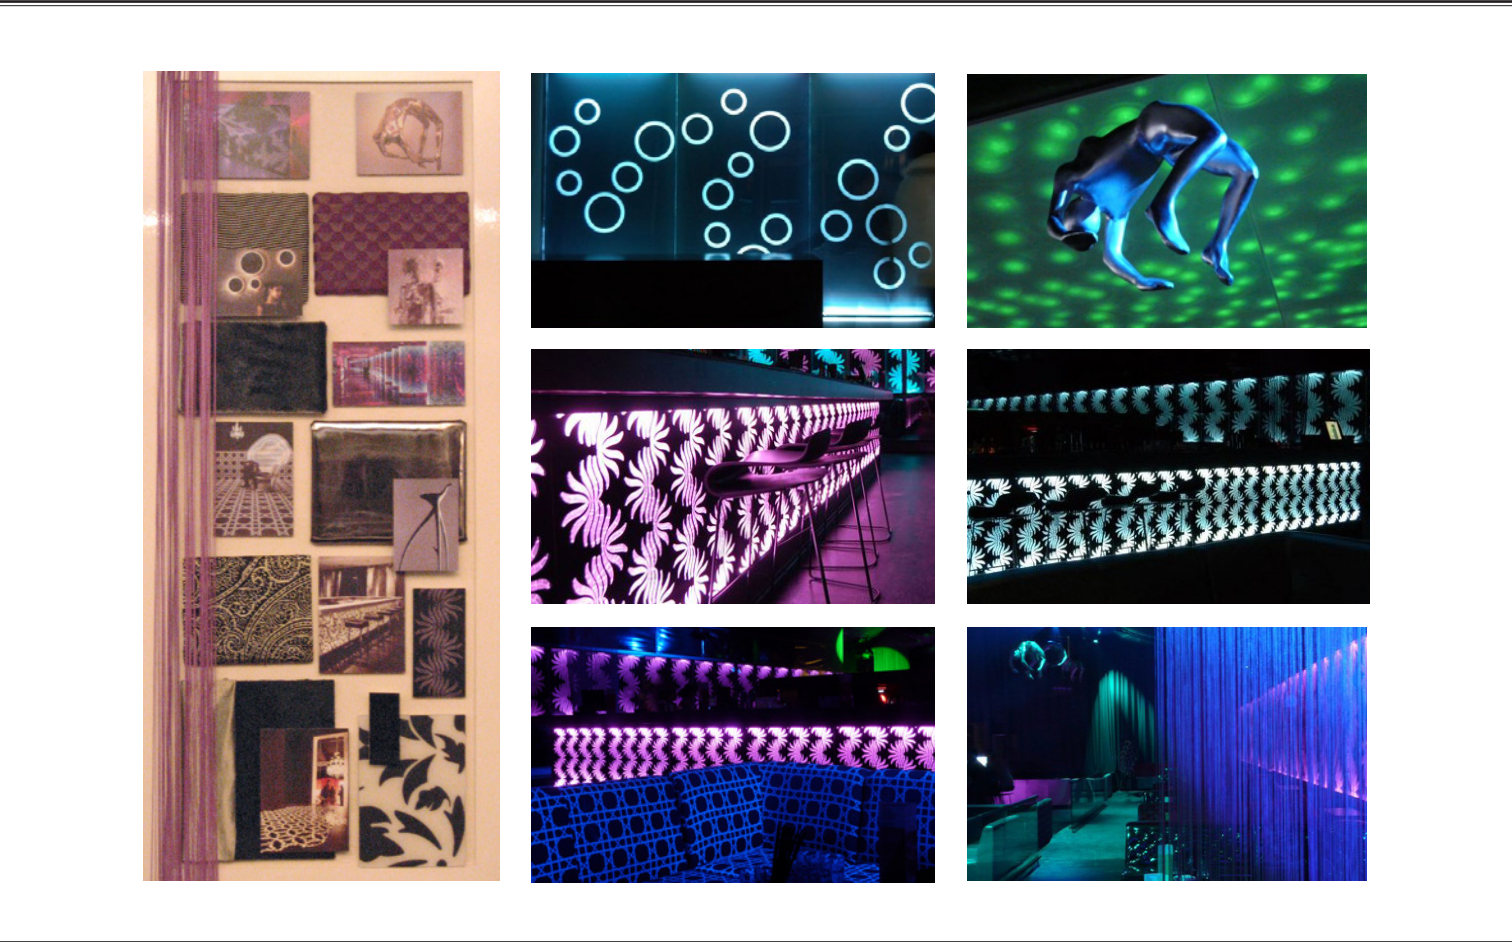

## Hilton Mainz\_Germany

The Hilton Mainz Hotel is a Contemporary Luxurious Urban Business style hotel. Transparent materials, mosaics and metal finishes give to the hotel a sophisticated rustic touch with a hint of glamour.

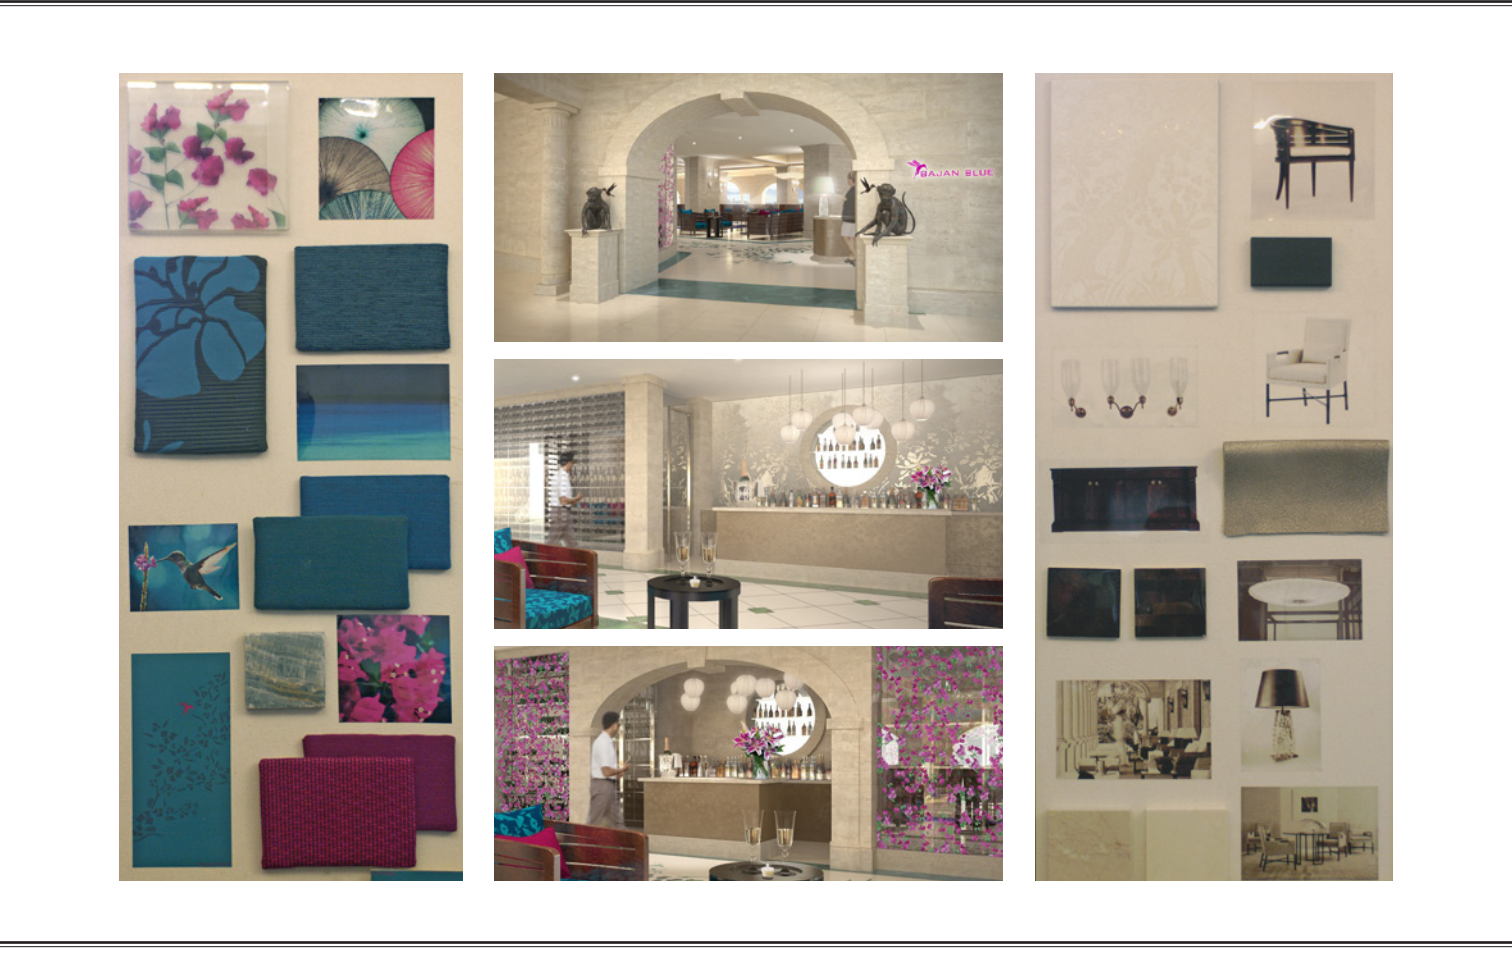

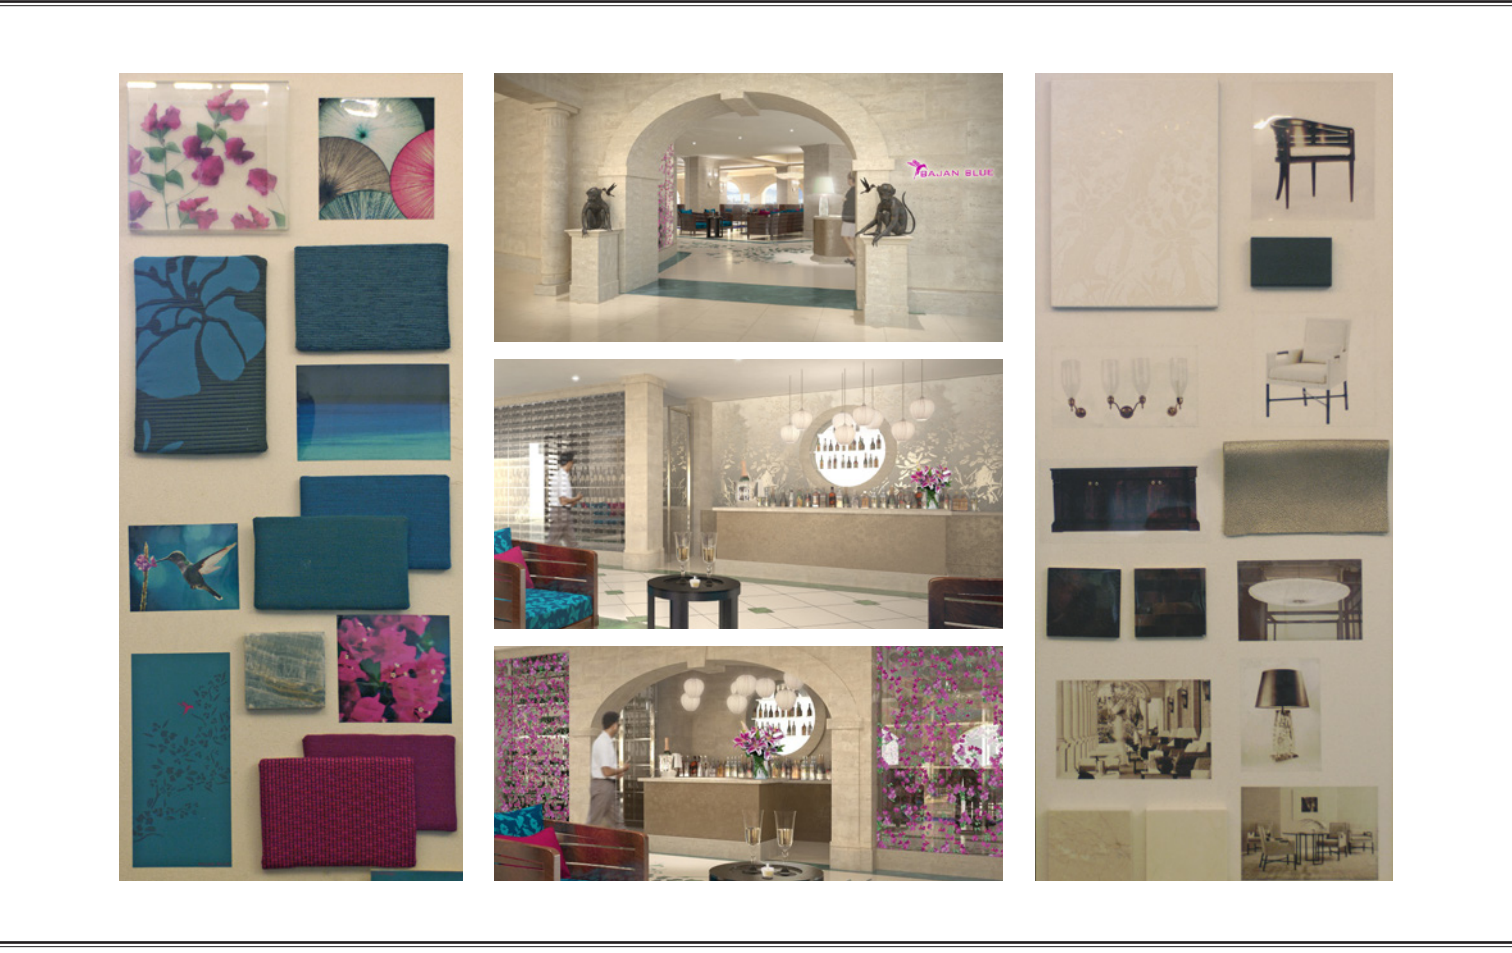

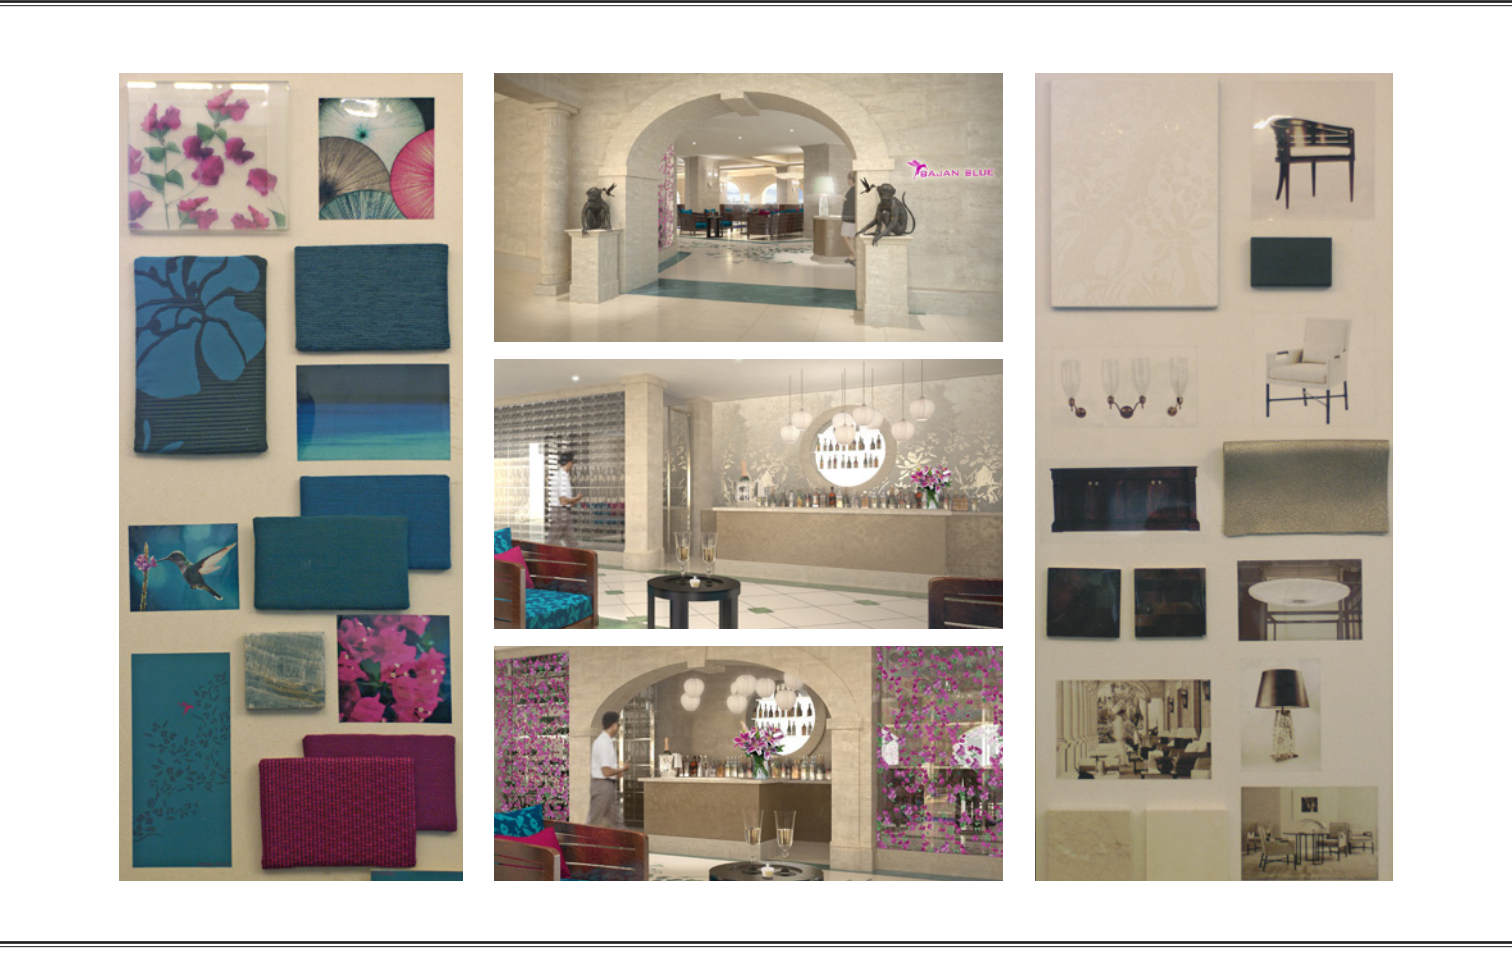

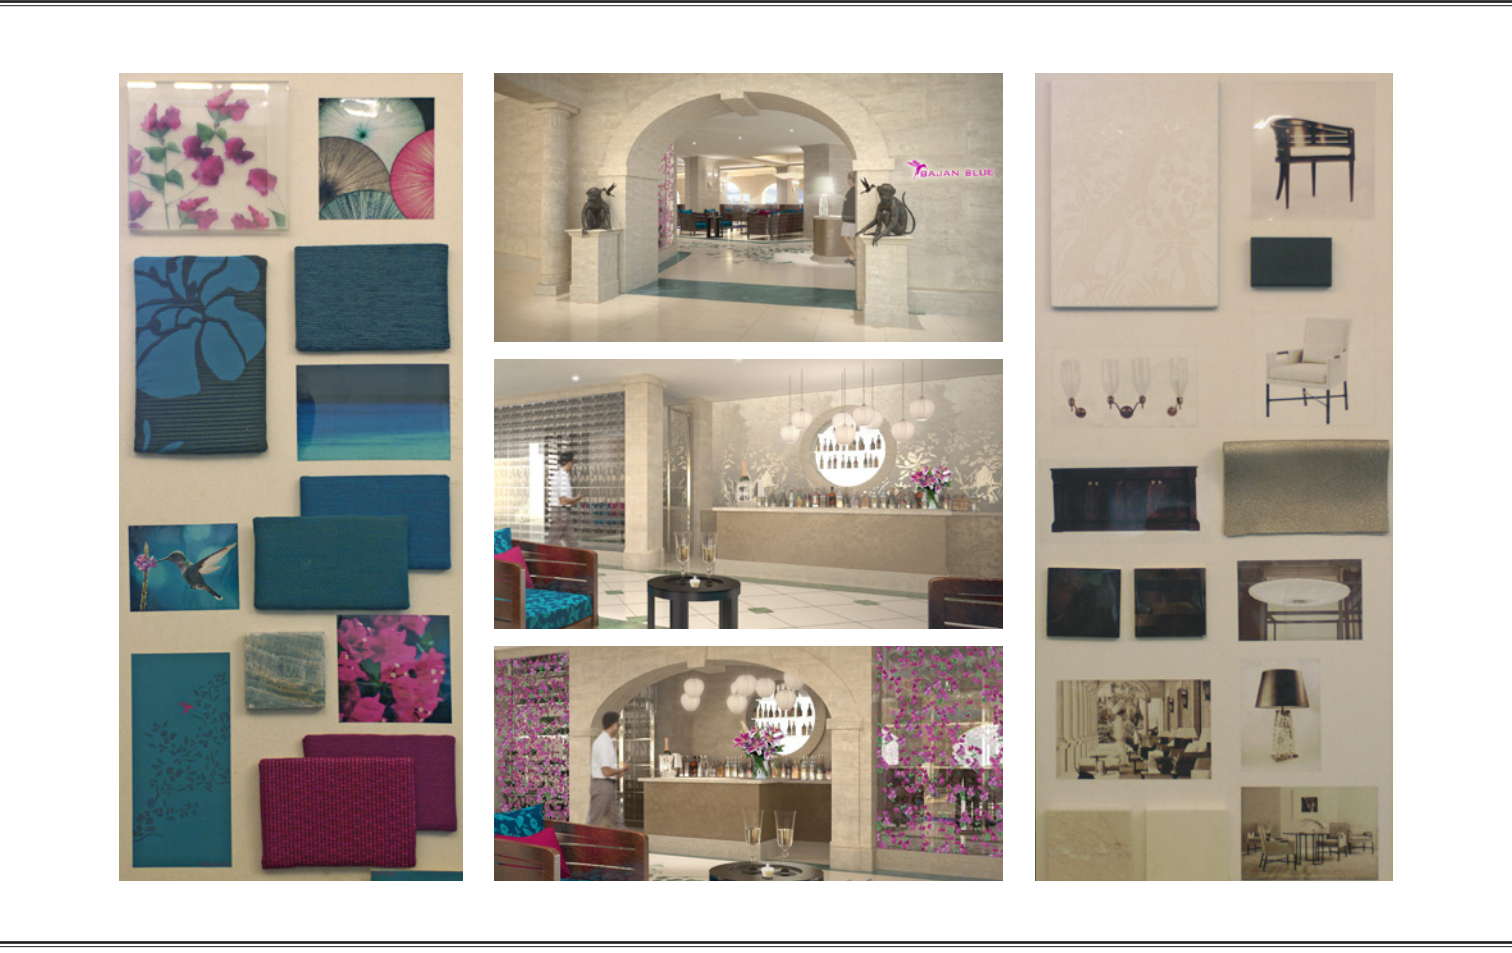

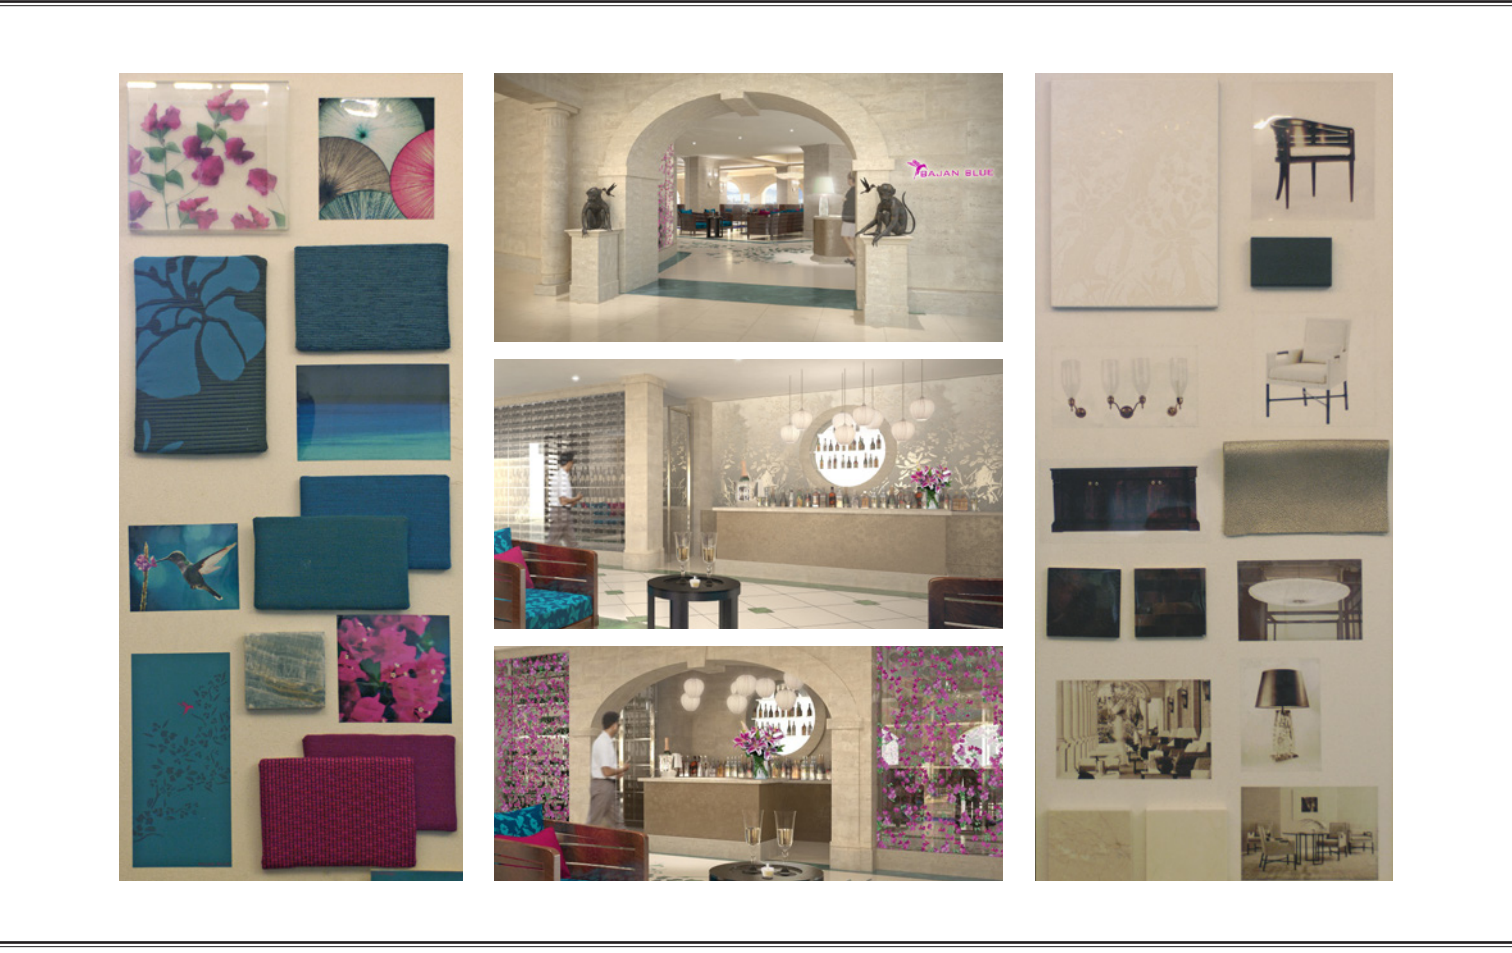

## Turabo Nightclub\_Bucharest

The Turabo Nightclub is a Contemporary Chic and Unique international club. The idea was to create a new design language using contemporary finishes, innovative lighting design and introducing spectacular elements, such as, mirrored mannequins hanging from the ceiling.

## Sandy Lane Resort\_Barbados

Sandy Lane Resort is an exclusive resort in Barbados.  
The surrounding environment inspired all the graphics design details.  
The idea was to create a Mystical, Timeless and Modern atmosphere using solid materials like marble wood and decorated glass.
